Mount Etna

Trek through pine forests and past ancient lava flows, picnic overlooking Sicily and cross the snow line en route to the crater of Mount Etna, Europe’s highest and most active volcano.

actionchallenge on Mount Etna

A fabulous hike up the iconic, active volcano of Mount Etna. This fascinating five day adventure takes us from the fertile lower slopes, past the scars of previous eruptions and beyond the snow-line to Etna’s active crater at the summit.

Our journey starts in Taormina, where we explore the town and enjoy delicious Sicilian food before beginning our trek with a tough walk up Etna’s slopes from Ragabo refuge. The trails are in good condition, surrounded by fascinating evidence of previous Etna explosions. We are accompanied by our specialist guide who explains the history, geology and activity of Europe’s highest and most active volcano. We see early lava flows on the lower slopes before gaining height and entering into the birch and pine forests en route Maletto.

From here we skirt the western flanks of Etna, passing the town of Bronte. Picnic spots don’t come better than this as we sit on Etna’s volcanic slopes, overlooking the towns of Biancavilla and Adrano, before trekking up to base camp. The last push from base camp to the summit is tough. Heading north, we trek together for 8 km up the steep slopes with incredible views across the southern part of the island spreading out before us. We begin to feel the mountainous conditions as the wind picks up and, with snow underfoot, we continue climbing to Refugio Alpino (2900m) and the summit of great Mount Etna. Our fantastic achievement is rewarded with incredible views of Etna’s live volcanic vents and craters.

We have a steep descent back to our refuge at 2,000 m before transferring back to our hotel for a celebratory meal with our group to toast our volcanic, Sicilian adventure!

itinerary

**DAY 1 - Departure Day**

On arrival, we make our way to our hotel on the coast just below the town of Taormina. This afternoon we have time to walk around this lovely town where DH Lawrence wrote many of his poems. Tonight, as a welcome for the group we are treated to classic Sicilian home-grown food and wines, and meet the team who will be with us throughout the trek.

*Meals: D  Accom: Hotel*
DAY 2 - Pista Alta Montana

Our challenge starts early this morning as we transfer directly to the Ragabo refuge where we begin our trek with a long, tough day on Etna’s slopes. Our trek takes us all the way to the Maletto refuge, just above the village of Maloletto on the western flanks of the volcano. These are good, fast walking paths and where we see superb contrasts between the early lava flows and the birch and pine forest that we reach towards the end of the day. Our specialist guide will give us explanations of the phenomena surrounding the volcano. After a full day trekking we transfer from just south of the refuge to the town of Randazzo to relax with a cool beer or glass of local wine.

Meals: B,L,D   Accom: Hotel   Distance: 27 km

DAY 3 - Etna Base Camp

This morning, after a good breakfast, we transfer back to the Maletto hut and set off, heading directly south skirting the western flanks of the volcano. We soon pass above the town of Bronte and by midday we eat our packed-lunches overlooking the towns of Biancavilla and Adrano with our backs to the formidable summit of Etna. The afternoon is spent trekking up to Etna ‘base camp’, the traditional starting point for hundreds who climb the summit each day. Tonight, in our comfortable hotel, we are able to fully relax with great Sicilian food and wine before an early night in preparation of our final climb in the morning.

Meals: B,L,D   Accom: Hotel   Distance: 22 km

DAY 4 - Summit Craters 3,350 m

Now that we have acclimatised and our legs are well prepared, we have a tough day climbing to the summit of Mt Etna, the highest and most active volcano in Europe. We head directly north, trekking for 8km on the steep slopes of the mountain. After about 4hrs we have lunch with superb views over much of the southern part of the island. The weather here is often windy and harsh and we are almost certainly climbing over a pristine layer of snow to Etna’s Refugio Alpino at 2900m. In 2012 Etna erupted 5 times and, from the safe areas, it is an incredible sight. From here we have a direct, steep descent back to our refuge at 2000m. On arrival we take a transfer to our comfortable hotel in the centre of Palermo where this evening we have a great celebratory meal to mark the end of an incredible challenge.

Meals: B,L,D   Accom: Hotel   Distance: 15 km

DAY 5 - Palermo

We have a relaxing breakfast before transferring to Palermo airport in time for our return flight to London.

You will also receive an invite to a challenge briefing in central London.
payment options

A REGISTRATION DEPOSIT of £299 (for 2015) is required to secure your place. We offer 2 deposit payment options:

OPTION 1: Deposit paid in full, by card at the time of registration.

OPTION 2: Deposit paid in two 50/50 split payments. The first 50% is paid when you register and the second is charged to your payment card at the end of the following month. For this option, a £10 supplement will be charged with the first instalment.

Once registered, there are 3 PAYMENT OPTIONS to fund the balance of the trip cost. Full details are on our website.

1) SELF FUNDED

For anyone who wants to pay for the entire trip themselves. It’s then completely up to you whether or not you choose to raise any money for a charity of your choice.

The total all inclusive cost of this trip is £1,279 (for 2015), which, after you pay the £299 Registration Deposit, leaves a balance of £980. This final balance is due for payment 10 weeks before your departure along with any fuel surcharges levied by the airline.

2) SPONSORSHIP FUNDED

This is for anyone who wants to take on this challenge and will link it with fundraising a significant sum of money for a charity of their choice. You would have to raise at least £2,000 (for 2015) via sponsorship and donations from friends, family and colleagues, and be confident at the outset that you can achieve this total.

Pay the Registration Deposit and nominate a charity to fundraise for. All fundraising goes directly to your charity and providing that you raise at least £1,900 (for 2015), your charity will pay for the balance of your trip costs to Action Challenge. That balance, paid by your charity, is £980 (the same as if you were you were ‘Self Funded’) - the charity will retain at least £1,020 to help fund their work. You will have to pay any airline fuel surcharges 10 weeks prior to departure.

3) MIXED FUNDED

A mix of the 2 options above! You pay about half the trip cost yourself, and also fundraise for your charity. They pay the remaining balance of your trip costs. Ideal for anyone who wants to take on the challenge and also fundraise for a charity. BUT is happy to pay a reasonable proportion of the trip cost themselves, which with your registration deposit, is set at a level that covers at least the costs of flights & accommodation; perfect for those who feel more at ease asking for sponsorship in respect to the ‘challenge’ component of their trip.

Pay the Registration Deposit and nominate a charity to fundraise for. All fundraising goes directly to your charity and providing that you raise at least £1,450 (for 2015), your charity will pay a portion of your trip cost to Action Challenge. That balance, paid by your charity, is £580. At the same time, you will be required to pay the remaining balance yourself, which will be a figure of £400 (These two amounts add up to the same as the ‘Self Funded’ final balance) - the charity will retain at least £870 to help fund their work. You will have to pay any airline fuel surcharges 10 weeks prior to departure.

ATOL

ATOL is a scheme that protects you from losing money or being stranded abroad if your travel company collapses. Action Challenge is 100% ATOL bonded, which provides you with full financial protection. On receipt of your registration fee, you will receive an ATOL certificate explaining your protection.
