About Us

Action Challenge

We are Action Challenge, and we bring people together through challenge & adventure.

Since 1999 we've organised inspirational challenge events & adventures in the UK and Worldwide, for individuals to join, and for groups, companies & charities. Take on a challenge just for yourself, or link it to a special cause and fundraise – so far our events have raised over £90 million for charities. Now is the time to set new goals, to re-energise, and to get active!

We have over 40 UK & overseas challenge events that you can sign up to now – ranging from a meandering 25 km Thames Path walk, to conquering a mighty Himalayan peak. Take on an unforgettable group adventure and push yourself further! We welcome individuals, couples, or groups of friends & family – and you can self fund, or link your challenge with fundraising for a chosen charity.

Few experiences bring a group closer together than an outdoor adventure which challenges comfort zones, builds resilience & understanding, and forges respect & friendships. If you have a group, you can join one of our 40 or so scheduled events, or if you want something special – we can craft a bespoke itinerary or plan a unique challenge event to meet your objectives and get your team energised!
