About Us

Action Challenge

We are Action Challenge, and we bring people together through challenge & adventure.

Since 1999 we've organised inspirational challenge events & adventures in the UK and Worldwide, for individuals to join, and for groups, companies & charities. Take on a challenge just for yourself, or link it to a special cause and fundraise – so far our events have raised over £90 million for charities. Now is the time to set new goals, to re-energise, and to get active!

We have over 40 UK & overseas challenge events that you can sign up to now – ranging from a meandering 25 km Thames Path walk, to conquering a mighty Himalayan peak. Take on an unforgettable group adventure and push yourself further! We welcome individuals, couples, or groups of friends & family – and you can self fund, or link your challenge with fundraising for a chosen charity.

Few experiences bring a group closer together than an outdoor adventure which challenges comfort zones, builds resilience & understanding, and forges respect & friendships. If you have a group, you can join one of our 40 or so scheduled events, or if you want something special – we can craft a bespoke itinerary or plan a unique challenge event to meet your objectives and get your team energised!

The Druk Path Trek Bhutan

TREK & EXPLORE THE HIMALAYAN KINGDOM OF BHUTAN

The Druk Path follows a varied and beautiful route within a network of Bhutan's original mule trails. We trek from Paro to Thimphu, through the mountains, and surrounded by some of the finest natural sights in the world. The challenge, though short, is extremely varied. We pass through rhododendron forest, across open yak pastures and along glorious high ridges. Highlights along the way include serene sacred lakes teeming with trout, meeting nomadic yak herders, and visiting a haunted monastery. In good weather, you will be stopped in your tracks by the wonderful views of the snow-capped eastern Himalaya. During our six trekking days we visit many of the must see cultural highlights of Bhutan including the fabulous Tiger's Nest Monastery.

DAYS 1-3 - HEADING TO BHUTAN

We will meet our group and Action Challenge staff at the airport. We land in Kathmandu and stay overnight on day 2, with the opportunity for some exploring and a welcome meal to get to know our group and team leader and medic. On day 3 we switch to a smaller plane for the quick hop to Bhutan and on arrival in Paro we transfer to our Hotel. In the afternoon we will take a short drive, for a walk up to the cliff temples at Dzong Drakha, a beautiful cluster of 16th century cliff temples set above the small village of Bondhey, overlooking the Paro Valley. This outing involves a couple of hours walking. In the evening we have a welcome meal and relax before our departure.

DAY 4 - TAKSANG MONASTERY, THE TIGER'S NEST

We set off for our walk up to the famous Tiger's Nest, Taktsang Monastery, perhaps the most iconic religious sight of Bhutan. It's a steep uphill walk through woods to reach a tea house which offers the best view of the Monastery. After taking in the stunning sights and learning a little about the history we start our descent back to the valley floor and then drive back to Paro.

DAYS 5-8 - TREK THE DRUK PATH

The Druk Path is part of a network of mule tracks that link the Thimpu Valley with the Paro Valley. It was the primary trading route between Bhutan and the Indian border. There is no more exciting way to reach the capital, Thimpu, than to walk from Paro! This full service camping trek takes us through spectacular terrain, through mountain forests, past sacred lakes, yak pastures and high mountain passes. The highlight is perhaps the glorious high mountain country and the crossing of the Simkota La mountain pass, our highest pass of the trip at 4,210m!

DAYS 9-11 - CULTURAL EXPLORATION

We awaken early on day 9, from our last night under canvas. We have views of the highest mountain in Bhutan, Gangkar Punsum, now the world's highest unclimbed mountain. We start the last of the trekking, it only takes two or three hours from camp to reach the road. Our vehicle will meet you at the road head for the short transfer to your hotel in town. This afternoon there's time to explore a little of Thimphu. The first part of day 10 is spent further exploring the sights of Thimphu, Bhutan's capital. Sights include the School of Traditional Painting and the Hospital of Traditional Medicine, allowing us further insight in the history, culture and traditions of Bhutan. The afternoon is spent transferring to Punakha where we spend the night. En route there is the chance to explore the Chimi Lhakhang temple by completing a short circular walk. Day 11 sees us visiting Punakha Dzong, the main monastery fortress and seat of power for the old system of rule in Bhutan. The afternoon is spent transferring to Paro, weather permitting the high road pass of Dochu La will offer us our last panoramic views over the Eastern Himalaya. Here we will enjoy a celebration meal together!

DAYS 12&13 - DEPART BHUTAN

Today we bid farewell to Paro and fly to Kathmandu. Depending on flight times, we may transfer straight onto our Kathmandu flight home to the UK, or have some time to explore Kathmandu before an overnight flight home. We land in the UK on day 13 and head onwards to family and friends with great memories and stories to share!
